How do I set the Score and Fanfare on or off in JB-199?

To turn on or off the Score (and Fanfare) function, please go to MENU > 5. System Control > 2. Score Control. There you can set the Score function to be one of

- On_Random_Low
- Med
- High
- On_ADC_Low
- Med
- High

If the Score (and Fanfare) function is still not working properly, please download the attached file Image-fanfare.zip and unzip it into the following files.

- fanfare1.avi
- fanfare2.avi
- fanfare3.avi
- fanfare6-1.avi
- fanfare6-1.mp3
- fanfare6-2.avi
- fanfare6-2.mp3
- fanfare6-3.avi
- fanfare6-3.mp3

Place these files in the folder C:\NJB99\Image of you JB-199. Then try using the Score (and Fanfare) function.
