Where to find the drivers for video cards in JB-199

Here are the links to the websites where you can find the drivers for the video cards (graphic cards) in your JB-199. Please download and install a correct driver for the video card in your JB-199. Some websites may require you to select the graphics card you have. Input it into the search and download the most recent one available for Windows XP 32 Bit.

- ATI Radeon 9200, 9250. (JB-199 I, 000XXX - 060XXX)
