Graphic card driver for ATI X600, ATI X1055, and ATI GV-9551

Here is the Catalyst graphic card driver for ATI X600, ATI X1055 and GV-9551.

Please go to the following website and input the following information to get the latest driver release.

<https://support.amd.com/en-us/download>

Go the to "Manually Select Your Driver"

Step 1. Select Desktop Graphics

Step 2. Select graphics cards series (Radeon X Series)

Step 3. Select product (Radeon X6xx for X600 and Radeon X1xxx for ATI X1055)

Step 4. Select operating system (Windows XP 32-Bit series)

Step 5. Hit "Display Results"

From here hit the download button corresponding to the "Catalyst Software Suite" which has the driver and control panel.
