JB-199 III

How to recover from Demo version

This instruction shows how to recover from Demo version notice when the JB-199 III karaoke program starts.

Download the attached "20160823 SerialProtect.zip" file and unzip the SerialProtect.exe inside into Documents > JB199III > Utility.

Next download the attached SerialProtect Instruction.zip file and unzip the JPG graphics files inside. Follow the instructions on the graphic files sequentially starting from 1.jpg to 5.jpg.

Start the JB-199 III karaoke program and it will start as the full version without the Demo version notice.
