

# USB/Hard drive(DVD)

## How do you load new songs or edit current library of USB hard drive for CAVS USB players?

Download and install free utility software, MCG Manager.

MCG Manager:

[http://www.cavsusa.com/pc\\_player.htm](http://www.cavsusa.com/pc_player.htm)

Then run MCG Manager, and go to help to follow the instruction on different subject.

Unique solution ID: #1119
