

PlayCDG KJ Deluxe

Can I upgrade the demo to a full version?

The demo is not upgradable to a full version. In order for you to get the full version you'll need to download it after purchase or if it has been purchased in the past you'll have to contact service@cavsusa.net for a new download link.

1. Uninstall the demo
2. Download full version
3. Install full version
4. Register the software
 - *Most likely your old license will not work
 - *Press "Register Now" on the program to register
5. Activate Program

NOTE: Please uninstall the demo before installing the full version.
