PlayCDG SP

How do I play SuperCDGs?

1. Make sure that the SuperCDG disc is inserted onto your computer's **DVD** drive
2. Close and auto run windows that might appear
3. If you haven't already run your player software.
4. Press the SCDG button on the player
5. Select the song to play
6. Press Play to begin playback
   or "Enqueue"/"Add To List" (to play back later)
